

At Kreider Farms, our ice cream starts with the freshest ingredients and attention to detail. Rich cream from our cows forms the base for our 'mix.' Made in small batches to ensure quality, all of our flavors are hand-processed for that old-fashioned, 'hand-cranked' goodness.

Our premium ice cream comes in 22 flavors, 9 seasonal flavors and 2 lactose free flavors to satisfy to satisfy any preference. Our standard, no sugar added and limited edition flavors are sold in 1.5qt 4-packs.
